OUR STORY

Named after the rare tiny fruit of the north that fills the freezing winters with its warmth and sweetness, Cloudberry is also all about making and preserving sweet memories.

Our products are created to inspire you to go after your deepest dreams and treasure life's most magical moments. Cloudberry's selection of products begins from Goal Planners and Scrapbooking Albums to Bullet Journals, Design Cards, and gift bundles, where even the smallest detail is well thought out and created with our clients in mind. The gorgeous product designs also feature different artworks and illustrations made by Nordic artists.

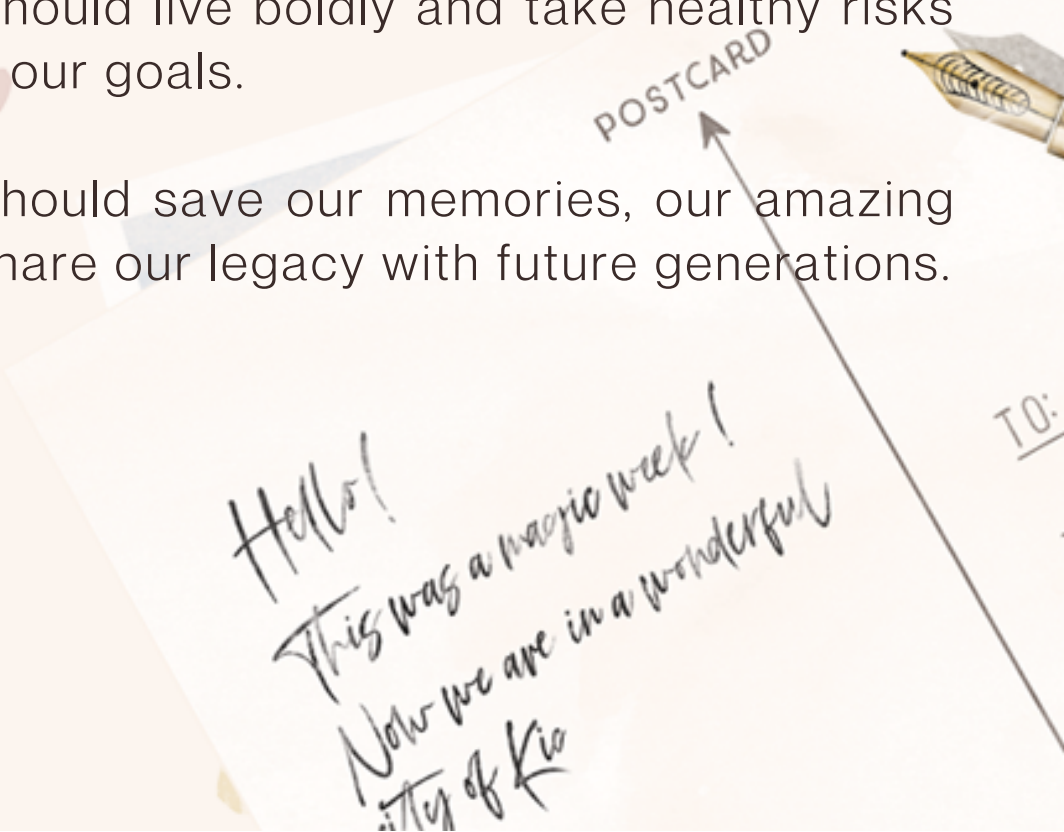

WHO ARE WE?

We want to give you the full Cloudberry experience. When you hold a Cloudberry product in your hands, your journey into an adventure of beauty, design, and purpose begins. We are here to help you create and keep your wonderful memories. Catch clouds and dreams with Cloudberry today!

Authenticity – We should be true to who we are and believe in ourselves 100%.

Strength – We should live boldly and take healthy risks toward achieving our goals.

Heritage – We should save our memories, our amazing life stories, and share our legacy with future generations.
